TRAINING & PLACEMENT ASSISTANCE

- ✓ 2 WEEKS FARM COURSE
- ✓ TRAINING - 5 DAYS A WEEK AT FARM
- ✓ 05 HOURS PER DAY
- ✓ FOR AGRI STUDENTS : GRADUATE / UNDERGRADUATE / POST GRADUATE

INR 20,650

(INCLUSIVE OF 18% GST)

Training Modules

- **Module 1:** Introduction
- **Module 2:** Types of hydroponics
- **Module 3:** Growing medium
- **Module 4:** Hydroponics Technology for Crops Under Protected Cultivation
- **Module 5:** Types of crop categories
- **Module 6:** Designing a hydroponic system
- **Module 7:** Components of hydroponics
- **Module 8:** Hydroponic system design for different crop types
- **Module 9:** Business economics and finance

Meet your Trainer

Ms. Shreya Kaushik Sharma

Academic Trainer

Msc Horticulture

(PhD Pursuing)

Ms. Shreya Kaushik Sharma brings strong academic and applied expertise in hydroponics and modern horticulture. With a solid foundation in plant physiology, protected cultivation, nutrient management, and soilless systems, she translates scientific knowledge into scalable, commercially viable farming practices, emphasizing precision, crop optimization, and sustainable yields.
